JOINT REQUEST FOR SCHEDULING OF ORAL ARGUMENT

Pursuant to Local Civil Rule 7.1(E), and consistent with the Parties' earlier representations in this matter, *see* ECF No. 55 n.2 (noting the Parties' agreement that "oral argument in this matter would be helpful"), the Plaintiffs, Defendants, and Defendant-Intervenor Alaksa Community Action on Toxics, *et al.* (collectively "the Parties") respectfully request that the Court schedule oral argument in this matter. *See also* ECF No. 56 (deferring the scheduling of argument). The Parties have conferred on their joint availability, and request that, at the

Court's convenience, argument be set for either November 20 or 21, 2024.¹ While the Parties defer to the Court on the appropriate length and timing of the argument, they suggest that at least an hour of argument per side would likely be sufficient and helpful to the Court.

Finally, and pursuant to the scheduling order in this matter, ECF No. 56, the Parties anticipate filing the administrative record appendix shortly, and in any event by no later than October 30, 2024.

Defendant Intervenor States consent to scheduling argument in November, but request that if the Court cannot schedule argument on November 20 or 21, the Parties be given the opportunity to further confer on appropriate dates in December.

Respectfully submitted this 18th day of October, 2024,
